

A Lost Connection

Have you ever lost connection with your mobile phone, tablet, internet, etc. If so, what do you do? Panic? Wonder what you are going to do, how you are going to cope (seems silly to say that, but it's true) and as soon as you get connection back up again peace, relief and joy gets inside you. Just take a minute as to how long the switch took place from frustration to peace, I should say seconds.

This is the same as when before we became Christians going our way doing our own thing saying to ourselves "I can do it" on my own. NO we cannot do anything by ourself, nothing on our own, but "I **can** do all things through Him who strengthens me" Philippians 4 v 13" (NKJV) says this.

So, this is what we **must** do and that is to get back connected to God He is our Source 1 Corinthians 8 v 6 says this... "Yet for us there is only One God, the Father, Who is the Source of all things" (AMPC).
